4-H/FFA Livestock Sale

Saturday, July 15, 2023

12:30 PM: Barbecue

1:30 PM: Jr. Livestock Sale

Fred R. Field
Western Heritage Center
275 South Spruce Street in Gunnison

You are invited to attend the 2023 4-H/FFA Junior Livestock Sale

The animals for sale at our Junior Livestock Auction showcase our 4-H and FFA members and the hard work they have put in all year long. The kids are dedicated to their animals and it allows them to learn so many valuable life lessons.

The 4-H and FFA members must take care of their animal each and every day which teaches them animal husbandry skills such as feeding, animal health care, and proper handling techniques.

Buying an animal at the auction helps support the members. They use the proceeds how they see fit – with most using it to start an education fund, or using it to support their next year's project. Buyers dedication to the youth in 4-H and FFA help them prepare for their future.

In return, buyers can be assured they are purchasing the highest quality product. All animals must meet "Wholesome Meat Animal Standards" and all members have been trained in "Meat Quality Assurance". Buyers will receive public recognition for their purchases!

Many different animals are sold at the Junior Livestock Sale including beef, sheep, goats, poultry and rabbits.

Thank you for your participation in the 2023 Junior Livestock Sale!

How the Sale Works

Bidding—Bidding is simple. Animals are sold by the pound. For example, a 100 pound lamb at \$12.50/lb would sell for \$1250. Simply motion with the enclosed bidder card to buy.

Split Buying—You may split an animal with another buyer if you desire. Buyers are encouraged to have these plans done ahead of time.

Absentee Buying-If you are unable to attend and would like to purchase an animal or make a donation please call the CSU Extension office at 641-1260.

After You Buy

Payment for your animal is due at end of sale

Notify the sale clerk which of the following processors you wish you to use:

Homestead Meats in Delta: (970) 874-1145

Kinikin Processing in Montrose: (970) 240-4329

Animals will be transported to the processor of your choice and can be processed to your specifications. Your processor will promptly contact you for cutting instructions and notify you when your meat is ready.

Processors deliver meat to the Fred R. Field Western Heritage Center for pickup and to get your processing payment.

If you want to support the kids, but you do not want the meat:

If you do not plan to utilize your purchase you have a couple of options:

1. Donations

A. You can donate the animal back to the 4-H Program. Proceeds will benefit the youth of the Gunnison County 4-H Program for many years. The animal's market price becomes a charitable donation.

B. You can donate the meat to the Gunnison Food Pantry. You will pay for the animal plus the processing costs, and then the Food Pantry will handle it from there! This will be a charitable donation.

2. Buyback

A. The Junior Livestock Committee will buy back your animal at current market value. Your payment becomes the difference in your purchase price and the market price of the animal.

Example:

1000 lb steer purchased at \$4.00/lb = \$4000

Exhibitor receives \$4000

Market price @ \$1.20/lb = \$1200

Buyer pays difference on \$2.80/lb = \$2800

Nadine Henry 4-H Forever Fund An Investment in Gunnison County's Youth

For more than 80 years, 4-H has been making a positive impact in the lives of Gunnison County's youth through hands-on education, 4-H leadership programs, community service activities and after-school programs.

Gunnison County 4-H needs your support. Most of the money used for 4-H programs, activities and events comes from private donations.

We are committed to involving as many Gunnison County youth as possible. To do so, new programs need to be created and successful existing ones sustained.

Your donations and participation in the Junior Livestock Sale will help sustain the 4-H Forever Fund Endowment, which provides Gunnison County 4-H with the funds needed to offer any Gunnison County child educational opportunities.

Direct donations to the Nadine Henry 4-H Forever Fund may be made through the Community Foundation of the Gunnison Valley, which administers the endowment. Contact the Foundation at 641-8837 if you would like to make a donation.

Rest assured that your support of the 4-H Forever Fund will help the 800 youth reached on a yearly basis by Gunnison County 4-H to realize their fullest potential. Participation in Gunnison County 4-H programs prepares today's youth to become tomorrow's leaders through real-life experiences.

Thank-you for your support!
